## DIGITAL THEATER PROPOSAL FORM

**All digital files must be received by email, FTP, CD or DVD by June 1 for consideration**

**STILL IMAGES** should be **2XGA resolution** (double 1024x768= 2048x768). Preferably, the double image will be set up in a cross-view fashion, but parallel view will be accepted. Powerpoint or other executable slide shows (such as PROSHOW) will be accepted. **For instructions on setting up 2XGA digital images, please access the website page at <http://studio3d.com/pages/stereoproj.html>.** Other formats considered.

**STEREO VIDEOS** will be accepted in **interlaced, locked dual stream mode (side by side or over/under) or separate L/R files.** Resolution should be at least VGA. Data files preferred over DVD format. Other formats considered.

We will have the INFOCUS LP530 DLP XGA 2000 lumen video projectors for presentation. We are looking for shows that are short and sweet!
